My honey bunch,
My little maid,

I've got a bunch,
You're like an iceberg,

All for your sake,
That no one knows;

You can make it melt like butter, Give me a smile, give me a trial;
This is on the coast of Jersey, Say "Yes" or "No.", When will we go?

Beaux by the dozen 'round you are buzzin', One day it's me,
You and I only, All by our lonely. Fruit from the bough,

next day it's he, Who will the real one be?
milk from the cow, Make up your mind right now.

CHORUS.

I'll build a fence a-round you, dear, This very day, what do you say?

I'll build a fence around you.
My plan is novel and new, dear, What was love till this meeting?

Kiss me till my heart stops beating; I'll paint a sign that will read, dear: "No one can pass,

Keep off the grass? Now, won't that be an Eden for two? Love-y,

I'll build a fence around you. I'll build a fence around you.
YOU WILL DO US A FAVOR by letting us know which of these numbers you don't happen to have. Don't be sensitive about the affair. If you even have none of them we will gladly send you all of them. If we dared we would say you were doing yourself a favor, as they are very good—all of them—POSITIVELY. You can't beat playing something the people will like.
